

Holloway Neighbourhood Group

1st January - 20th December 2024

Q4-Q3 Digital Inclusion Report

Our **Digital Inclusion** data provides feedback on our progress between 1st January and 20th December 2024.

Our organisation plays an important role in empowering adults to bridge the digital divide by providing training and resources, skill development, access to information, community engagement, economic growth, lifelong learning, and a reduction of isolation.

Digital Inclusion Sessions

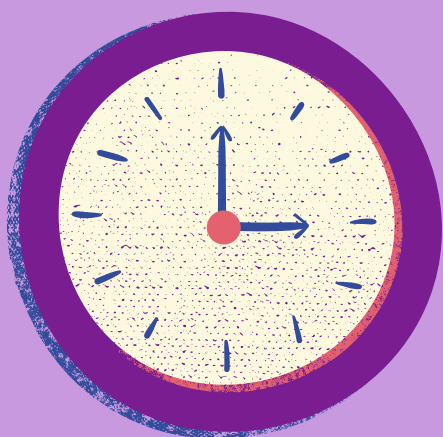

We delivered **41** digital inclusion sessions and **35** new learner assessments, benefitting **57** people

Number of Volunteers

We had **10** generous volunteers supporting our efforts

Volunteer Hours

Our volunteers provided **268** hours of their time servicing our digital inclusion

How They Heard About Us

74% of attendees heard about our digital inclusion sessions through word of mouth
