## Q4-Q3 Warm Room Report

Our **Warm Room** data provides feedback on our progress between 1st January and 20th December 2024.

Our organisation's weekly Warm Room plays an important role in addressing food insecurity, fostering social cohesion, providing mental health support, emergency relief, skill development and awareness and advocacy.

### Overall Footfall

We had a total of **47** sessions  
with **705** attendances,  
benefitting  
**119** people

### Number of Volunteers

We had the  
generosity of **9**  
volunteers supporting  
our efforts

### Volunteer Hours

Our volunteers provided  
**108** hours of their time  
servicing our warm  
room

### Warm Packs Delivered

We delivered a total of **28**  
warm packs to attendees

## Q4-Q3 Warm Room Report

Our **Warm Room** data provides feedback on our progress between 1st January and 20th December 2024.

*"Coming to this group has been a lifeline for me. It's more than just a place to enjoy soup and stay warm, it's a community where I feel seen and supported. I'm grateful for the friendships I've made here and for feeling like I belong."*

### Age

- <55 years
- 55-65 years
- 65+ years

The largest age group attending were people over 65 years of age

### Ethnicity
