Q1-Q2 Warm Room Report

Our **Warm Room** data provides feedback on our progress during the first six months of 2024.

"Coming to this group has been a lifeline for me. It's more than just a place to enjoy soup and stay warm, it's a community where I feel seen and supported. I'm grateful for the friendships I've made here and for feeling like I belong."

Age

The largest age group attending were people **over 65 years of age**

Ethnicity
